

# HCRCC Flyer

February 2025

AMA Charter #341

It's snowing, this editor is late getting this edition out, and I was looking for something small and simple to build... It's not R/C (although I am thinking it could be) and I have the wood... maybe a fleet of these from the club members?

Plans and article are here –

# HCRC Meeting Notes for the January 2<sup>nd</sup>, 2025 HCRC Business Meeting Notes

No Quorum Present – 13 Members including 4 Executive Members present: Mike Shaw, Bill Ewers, Gus Coelho, Pat Malone, Bob Prosciak, Bill Jaciow, Mark Wasielewski, Dan Kapinos, David Whiteley, Dennis Walker, Jack Dawson, Wayne Dawson, and Karl Hathaway. Heather Gatto attended as a guest.

Reading of the minutes from the previous month was waived. Club finances for the month of December were reported and approved.

The New Year's Day Fun Fly was cancelled due to the weather forecast. We may consider holding this the day before New Year's next year depending on the weather.

Pat is continuing to negotiate the sale of the land parcel across the street. We have one interested party. We are considering soliciting other parties.

Bill Bellows thanked Pat Malone for mentoring him in his efforts to learn to fly.

The club membership renewal note has gone out and payment is due by the February Business Meeting. Please consider donating to the field land fund.

We are working on fundraising to support the land purchase:

1. Go Fund Me – Now live! We ask everyone to alert their family and friends and ask them to donate! Mike sent out an email asking everyone to do this. Please feel free to copy and paste the email that he sent in your emails to you friends and family.
  2. Selling Land Shares – We are now selling land shares. Please consider purchasing land shares to support this club initiative. Each share is a \$100 commitment and has a 5-year maturity period.
- When the club savings and selling of the land across the street are accounted for, we are about halfway to our goal. The club will have to save itself. The rest of the money will have to come from club members.

We are asking that everyone purchase a share a month to help fund the land purchase. Please either come to the meetings or mail in your contributions.

The board of directors meeting will be held in February at Pat Malone's house. Bill Ewers to send an invite to all executives and directors.

SHARES CERTIFICATE FUNDRAISER PROGRAM

Hello all,

Your club has now opened a shares certificate buying program to raise funds to purchase 5 acres of property next door to our old home on the opposite side of our 2.1 acre (70' strip) on Honey Pot Road. We only have two short years (01/01/2026) to raise the funds needed to purchase this property. These certificates are valued at \$100 per share. They will mature in 60 months to be able to be redeemed at face value on a funds available basis. Please purchase as many as you can reasonably afford. You can acquire these certificates one of two ways. Either bring cash or a check made out to HCRC to a business meeting and hand it to our Treasurer Gus Coelho or mail your check to Gus at 141 Holy Cross Circle, Ludlow, MA. 01056. Your certificate will be available by the next club business meeting or will be mailed out to you. All donations for the property purchase are being deposited into a dedicated bank account in the club's name and will be returned to the donor if the land purchase is unsuccessful. I thank you in advance for supporting this important funding program that will allow our club to continue well into the future.

Thank You,

Management

**GOFUNDME FUNDRAISER PROGRAM**

Hello all,

Your club has a secondary fundraising program in place for anyone that may wish to donate to our cause. It is through *GofundMe.com*. The link to our fundraiser page is below. This program is very important to supplement our in-house Shares Program.

SHARING: This GFM program will only be successful by sharing the link below with everyone you know and some that you don't.

Please email this link to any and all people in your phone contact list: friends, family, coworkers, everyone. These are *your* people and will be the ones most interested in helping you/us. You can also text it to anyone you don't have an email address for. Also, share this link with any business and organization. You may have to do this a few times over a period of time to get people/organizations that meant to donate but may have let it "slip through the cracks" the first time. Friends and/or family members may come up to you and hand you cash to donate on their behalf. You can transfer these funds into the fundraiser as an "anonymous" donator as well. Another easy way to share this link is on your personal social media page, if you have one. After you post it, leave yourself a reminder to re-share it to yourself every 2-4 weeks and it will go back to the top of your timeline for all your peeps to see.

Donations have already started to come in but this program will only be truly successful and meet our goal with all of our help to promote it. All donations for the property purchase are being deposited into a dedicated bank account in the club's name and will be returned to the donor if the land purchase is unsuccessful.

Thank You,  
Management

The picture above shows the proper method of securing the gate. The Hannigans are using this gate to access their property as well. They have the combination to let themselves in. Also, be aware that they drive to the north end of their property by passing right behind the far side of our runway. Be extra cautious when you're flying and this happens. Last one out lock up if they are not there.
